AUTHOR GUIDELINES

JURNAL PENDIDIKAN VOKASI

1. Jurnal Pendidikan Vokasi publishes the results of research or study on vocational education and the manuscript submitted must be original and has never been published elsewhere.
2. Manuscript accepted is written in standard Indonesian language.
3. The length of the manuscript is approximately 15 pages, and written referring to the template (available on online journal).
4. The manuscript must be in *.doc or *.rtf , and sent to the journal system via online submission in the Open Journal System (OJS).
5. All Author(s)' names and identity(es) must be completely embedded in the form filled in by the corresponding author: email; affiliation; and each author's short biography (in the column of 'Bio Statement'). [if the manuscript is written by two or more authors, please click 'Add Author' in the 3rd step of 'ENTER METADATA' in the submission process and then enter each author's data.]
6. Authors' biography (in the column of Bio Statement) is written in the form of narration, including author's full name, place and date of birth, educational qualification/information started from bachelor degree (S1) until the latest educational degree, the affiliation in which the author is currently working, phone number, and email address.
7. APA (American Psychological Association) style is used as a reference in citation, references, and the journal writing format, explained as follows:
 - The title of the manuscript is written in Indonesian language, font: Times New Roman – 14. The title must be as brief as possible, and must represent the content of the manuscript (maximum of 15 words). The title of a research-based article must be simplified and different to the title of the research. The heading levels of the manuscript must be arranged as follows: (1) **HEADING ONE** (UPPERCASE, BOLD, FONT 14, CENTERED); (2) **Hading Two** (UPPERCASE, BOLD, LEFT-ALIGNED); (3) **Heading Three** (Uppercase and Lowercase, Bold, italic Left-Aligned);
 - Article of a product of a study comprises the following headings: Introduction (research problems, frame of thinking and/or analytical framework), sub-headings of discussion, conclusion, and references. Meanwhile, article of a product of research comprises five main headings: Pendahuluan (Introduction); Metode Penelitian (Research Method); Hasil dan Pembahasan (Findings and Discussion); Simpulan dan Saran (Conclusions and Suggestions); Daftar Pustaka (References).
 - Authors (and co-authors) names are written below the title of the manuscript, without including their titles or degrees.
 - Authors' affiliations are written below the names; email and phone numbers are written below the affiliations
 - Keywords: words or phrases which are important, specific, or representative to the article. Keywords are written in bold and italic, one space below the abstract.
 - Abstract is written in two languages: Indonesian and English, as a representation of the manuscript. The abstract should not exceed 250 words for each language format (1 page for both English and Indonesian abstracts), written narratively in one paragraph for each, comprising aims/objectives, method, and findings of the research/article.

All correspondences, information and decisions for the submitted manuscripts are conducted through email written in the manuscript and/or the emails used for the submission. The status of the manuscript can be checked in the OJS by logging in to the journal. If you have submission queries, please contact **jpvokasi@uny.ac.id**
