AUTHORS' BIOGRAPHY

Abdullah Nurul Syafiqah Yap. Was born on 14 April 1983 in Kuala Lumpur, Malaysia. She is currently a senior lecturer at the Department of Physics, Faculty of Science and Mathematics, Universiti Pendidikan Sultan Idris (UPSI). She received her first degree in Bachelor Science (Physics Industry) with Honour in 2005 from Malaysia University of Technology (UTM). In 2008, she obtained Master in Science (Physics) from the same university. She completed her Ph.D in Physics Education in Malaysia University of Science (USM) in 2014. She is interested in researches related to Educational Physics, Physics Instrumentation and Interactive Learning.

Aman. Was born in Brebes on October 15, 1974. He completed his bachelor's degree in 1999 in Yogyakarta State University, majoring History Education study program. He completed his master degree in 2002 in the Graduate School of Jakarta State University. He attained his doctorate in 2011 in the Graduate School of Yogyakarta State University, majoring Educational Research and Evaluation. He currently works as a lecturer in the Faculty of Social Sciences and Graduate School of Yogyakarta State University, Indonesia.

Amir Syamsudin. Was born in Ciamis, West Java, on Februari 4, 1971. He works as a lecturer in Yogyakarta State University, Indonesia, focusing on Islamic Education. He attained his bachelor degree in Theology and Philosophy on March, 1997 and his master degree in Islamic Philosophy on August, 1999 from Sunan Kalijaga State Islamic University of Yogyakarta. He is awarded fellowship from the Department of Higher Education of the Minister of Education and Culture for visiting Scholar at College of Education, University of Illinois at Urbana-Champaign (UIUC), Illinois, USA, October 2010 until January 2011 to search literature. He graduated achieving his doctoral degree from Yogyakarta State University majoring Educational Research and Evaluation in 2015.

Andi Ulfa Tenri Pada. Was born on 21 April 1983, in Bantaeng, South Sulawesi, Indonesia. She has been working as a lecturer in the Biology Education study program, Faculty of Teacher Training and Education, Syiah Kuala University, Indonesia since 2008. She attained her bachelor degree in 2005 from Makassar State University, majoring Biology Education, and her master degree in 2007 from Yogyakarta State University, majoring Science Education. She obtained her doctoral degree from Yogyakarta State University in 2016 majoring Educational Research and Evaluation. Her research interests include: creativity and assessment development in science education.

Anesa Surya. Was born in Ngawi on April 20, 1990. She completed her bachelor's degree in 2012 in the Faculty of Teacher Education and Educational Sciences of Sebelas Maret University, majoring Elementary School Teacher Education study program. She completed her master degree in 2015 in the Graduate School of Yogyakarta State University in the same major. She currently works as a lecturer in the department of Elementary School Teacher Education, Sarjanawiyata Tamansiswa University, Yogyakarta, Indonesia.

Asrab Ali Nur Faralina. She is currently a second year student in Master of Education (Physics) in Universiti Pendidikan Sultan Idris (UPSI). She was born on 10 June 1991 at Penang Maternity Hospital, Malaysia. She obtained Bachelor in Education (Science) with First Class Honours from

UPSI. She is looking forward to improve and contribute to the education system. She aims to complete her Master and continue to learn and explore the world of education as an educator.

Ayop Shahrul Kadri. He was born at Selangor, Malaysia on 13 July 1980. He is currently an Associate Professor at Department of Physics, Faculty of Science and Mathematics, Universiti Pendidikan Sultan Idris (UPSI). He holds a Ph.D in Physics from University of Hokkaido, Japan in 2011. He completed his Master of Science (Optics) in University Leipzig, Germany in 2005. He obtained Bachelor of Science (Industrial Physics) with First Class Honour from Malaysia University of Technology (UTM) in 2002. His research interest is physics education and optical manipulation.

Badraningsih Lastariwati. Was born in Yogyakarta in 1960. She attained her undergraduate degree from the Family Prosperity Education study program, Institute of Teachers Training and Education in 1984. Then, she earned her graduate program from the study program of Societal Health Science, Faculty of Medicine, Gadjah Mada University in 1997. She currently works as a lecturer in the Culinary and Fashion Education study program, Faculty of Engineering, Yogyakarta State University, Indonesia.

Badrun Kartowagiran. Was born on 25 July 1953. He works as a lecturer in the Faculty of Engineering and Graduate School of Yogyakarta State University, Indonesia. He attained his bachelor degree in 1977 from Yogyakarta Institute of Teacher Education and Educational Sciences (recently known as Yogyakarta State University) majoring in Machine Engineering Education. In 1992, he achieved his master degree on Educational Research and Evaluation from Jakarta Institute of Teacher Education and Educational Sciences (recently known as Jakarta State University). In 2005, he graduated from his doctoral study in Psychology/Psychometrics in Gadjah Mada University, Indonesia.

Bambang Subali. Was born on 12 January 1952. He works as a lecturer in the Faculty of Mathematics and Science, and Graduate School of Yogyakarta State University, Indonesia. He attained his bachelor degree from Yogyakarta Institute of Teacher Education and Educational Sciences (recently known as Yogyakarta State University) majoring Biology Education. He achieved his master degree on Forestry Science from Gadjah Mada University, Indonesia. He graduated from his doctoral study in Educational Research and Evaluation, Yogyakarta State University, Indonesia.

Budiyono. He is a Professor at the Department of Mathematics Education, Faculty of Teacher Training and Education, Sebelas Maret University, Surakarta, Indonesia.

Dwi Widjanarko. Was born on 6 January 1969. He currently works as a lecturer and the Chief of the Department of Automotive Electricity, Faculty of Engineering, Semarang State University, Indonesia. He attained his doctoral degree in 2013 from Yogyakarta State University, majoring Vocational Education.

Herman Dwi Surjono. Currently works as a senior lecturer at the Faculty of Engineering and the Graduate School of Yogyakarta State University, Indonesia. Attained his doctoral degree in Information Technology in 2006 from Southern Cross University, Australia.

Herminarto Sofyan. Was born on 9 August 1954. He currently works as a senior lecturer in the Department of Automotive Engineering Education of the Faculty of Engineering and Graduate School of Yogyakarta State University, Indonesia. He attained his bachelor degree in 1978 from Yogyakarta Institute of Teacher Education and Educational Sciences (recently known as Yogyakarta State University), majoring in Mechanical Engineering. In 1986, he attained his master degree from Jakarta Institute of Teacher Education and Educational Sciences (recently known as Jakarta State University), majoring in Vocational Education. He achieved his doctoral degree in 2002 from Jakarta State University majoring in Educational Technology.

Nurrahmah. Was born in the County of Dompu, the Province of West Nusa Tenggara, on 20 December 1974. She finished her elementary school, junior high school and senior high school degree in Lombok. She obtained her undergraduate degree from Department of Economic and Development Study, Faculty of Economy, Mataram University. Then, she attained her graduate degree from Social Science study program of Yogyakarta State University majoring Economic Education in 2005. In 2006, she attained her postgraduate degree from Educational Research and Evaluation Yogyakarta State University. She has been working as a full-time lecturer for the Development of Economy and Cooperation Economy subject in the Department of Tadris Economics - Social Science, Faculty of Tarbiyah, Mataram State Islamic Institute, Indonesia, since 2008.

Pardjono. Was born on 2 September 1953. He currently works as a senior lecturer in the Faculty of Engineering and Graduate School of Yogyakarta State University. He graduated achieving bachelor degree in 1977 from Yogyakarta Institute of Teacher Education and Educational Sciences (recently known as Yogyakarta State University), Indonesia, majoring in Mechanical Engineering Education. In 1986, he attained master degree in Industrial Arts and Technology Education from State University of New York, USA. His doctoral degree in Cognitive Education was attained in 2000 from Deakin University, Australia.

Samritin. He currently works as a lecturer at Muhammadiyah University of Buton, South-East Sulawesi, Indonesia. He attained his bachelor degree from Yogyakarta State University majoring Educational Research and Evaluation in 2014.

Sukamto. Was born on 25 February 1947. He is a professor in the Department of Mechanical Engineering Education of the Faculty of Engineering, Yogyakarta State University, Indonesia.

Sumarno. Currently works as a lecturer in Yogyakarta State University in the expertise field of Program management of non-formal education and educational research and evaluation. His bachelor degree was attained from the department of Social Education of Yogyakarta Institute of Teacher Education and Educational Sciences (recently known as Yogyakarta State University) in 1972. His master degree was attained in 1980 and doctoral degree on Educational Planning and Sociology was attained in 1986, both were attained from Macquire University, Sydney, Australia.

Suryanto. Currently works as a lecturer in Yogyakarta State University in the expertise field of mathematics and statistics.

Sutrisno. He is a Professor at the Department of Islamic Education, Faculty of Teacher Training and Education, Sunan Kalijaga State Islamic University, Yogyakarta, Indonesia.

Zamroni. Currently works as a senior lecturer in Yogyakarta State University in the expertise field of educational sociology. He completed his bachelor degree in Yogyakarta Institute of Teacher Education and Educational Sciences (recently known as Yogyakarta State University) focusing on economic enterprise, and his master and doctoral degrees in Florida State University, United States of America achieving M.A. and Ph.D. He has been being active in publication since he started working in Yogyakarta State University in 1974.

Submission Guidelines

- The manuscript submitted is a result of a research or scientific assessment of an actual issue in the area of research, evaluation, and education in a broad sense, which has not been published elsewhere and is not being sent to other journals.
- Manuscript is accepted in English. Any consistent spelling and punctuation styles may be used. Please use single quotation marks, except where 'a quotation is "within" a quotation'. Long quotations of 40 words or more should be indented without quotation marks.
- A typical manuscript is approximately 8000 words or 12-18 pages including tables, references, captions and endnotes. Manuscripts that greatly exceed this will be critically reviewed with respect to length. (A4; margins: top 3, left 3, right 2, bottom 2; double columns [Except in Abstract: single column]; single-spaced; font: Garamond, 12).
- Manuscripts should be compiled in the following order: (1) title; (2) abstract; (3) keywords; (4) main text: introduction, research method, findings and discussion, conclusion and/or suggestions; (5) references.
- The title of the manuscript should clearly represent the content of the article, and contain the **keywords**.
- Authors' name(s) should be written under the title (without any academic degree), along with the affiliation(s) and email address(es).
- An abstract that does not exceed 300 words is required for any submitted manuscript. It is written narratively containing the aim(s), method, and the result(s) of the research.
- Each manuscript should have 3 to 5 keywords written under the abstract.
- All tables and figures are adjusted to the paper length, and numbered referring to the text.
- The citation and references are referred to American Psychological Association (APA) style, for example: (Switzgerald, 2014, p. 8) Mardapi (2015, pp. 13-14) [in text].
- **American Psychological Association (APA) Style** format is used.
- The manuscript must be in *.doc or *.rtf, and sent to **REiD's Management** via online submission by creating account in this Open Journal System (OJS) [click **REGISTER** if you have not had any account yet; or click **LOG IN** if you have already had an account].
- Authors' biography must be written narratively, containing each author's full name, degree(s) which were attained, place and date of birth, the last three educational levels which were taken, affiliation/department in which the author is currently working, phone number and email address.
- All Author(s)' names and identity(es) must be completely embedded in the form filled in by the corresponding author: email; affiliation; and each author's short biography (in the column of 'Bio Statement'). [if the manuscript is written by two or more authors, please click 'Add Author' in the 3rd step of 'Enter Metadata' in the submission process and then enter each author's data.]
- (If any) The funding or grant-awarding bodies is acknowledged in the column of **'Contributors and Supporting Agencies'** when entering metadata in the Open Journal System (OJS) of the journal. *For single agency grants:* "This work was supported by the [Name of Funding Agency] under Grant [number xxxx]."
- All correspondences, information and decisions for the submitted manuscripts are given through email written in the manuscript and/or the emails used for the submission.
- Word template is available for this journal. If you have template queries, please contact reid.ppsuny@gmail.com
